Public service organisations	£300 UK \$575 AUS \$375 US €350 EUR	£900 UK \$1,725 AUS \$1,125 US €1,050 EUR	£1,800 UK \$3,450 AUS \$2,250 US €2,100 EUR

- Prices above are per annum – only where organisations are able to afford the payments to use the tool (if costs are unaffordable for whatever reason, the tool is free for use to ensure that irrespective of the organisation, every person supported has opportunity to have an increased quality of life)
- Numbers of people supported, are based on overall organisational numbers
- All prices are inclusive of VAT (UK)
- Use of the wheel, whether paid or not, is subject to agreement of the “General Terms of Use for The Life Wheel”, and agreement by the organisation to adhere to “The Life Wheel Organisational Charter”
- Prices above do not include training costs for providers who want to become accredited “life wheel” organisations - these are cited below

Item	Price	Inclusions/exclusions	Narrative
Biennial organisational registration fee for organisations who want to become accredited	£250 + vat	<ul style="list-style-type: none"> • Organisation wide registration for 2 years, including organisational certificate • Includes biennial review and feedback of organisational values, ethics and standards evidence 	All organisations who register as accredited life wheel providers, must complete a small evidence file initially, and then maintain, update, and submit this file biennially upon re-registration, demonstrating evidence of how you have met the values, ethics, and standards, of the life wheel from an organisation perspective
Mandatory initial life wheel workshops (this is only open to accredited organisations)	£950 + vat	<ul style="list-style-type: none"> • Up to 10 champions/delegates at a time can attend a workshop (must be same cohorts for each workshop) • 2 x half day virtual workshops (3.5 – 4 hours each) • Post 2nd workshop, 6 month review and feedback of competency and values evidence for each 	Up to 10 delegates can attend each half day workshop, to learn about the life wheel, and how to use it and put it into practice. There is then a follow up half day workshop after 4-6 weeks to embed learning and support the trainee champions with any issues/questions they may have. All workshops are virtual, unless you require a f2f workshop, which can be delivered at an additional bespoke cost to your organisation.

		<p>champion/delegate (up to 10 people)</p> <ul style="list-style-type: none"> • Trainee life wheel champion status certificate, until evidence file sign off is achieved, for up to 10 champions/delegates • Licenced life wheel champion status certificate, for up to 10 champions/delegates • Opportunity to join in iterative improvement cycles/feedback forums with other professionals/providers, to continually develop the life wheel • Unlimited use of the life wheel tool across the organisation, for the people you support (with appropriate champions in place to support successful and ethical implementation) • Access to any new life wheel related documentation created, to support 	<p>Following the completion of the 2nd workshop, up to 10 champions/delegates will achieve “trainee life wheel champion” status – along with a certificate, and will have 6 months to collate and evidence how they have met competencies, values and standards individually. Following this submission of their work, we will review and allow up to 3 feedback loops for each person to successfully complete their evidence files, prior to achieving sign off and “licenced life wheel champion” status, and a certificate.</p> <p>In the unlikely event any champions/delegates do not meet the standards within their file, they will need to redo the training again if they want to work towards being a licenced champion. The fee also includes all licences for 2 years, for up to 10 champions/delegates, access to any newly developed paperwork (should your organisation wish to use them), all virtual materials provided for the course, and unlimited use of the life wheel paperwork across your organisation</p>
--	--	--	---

		<p>organisational implementation (for example information sharing agreements)</p> <ul style="list-style-type: none"> • Virtual materials are provided • Computer system being developed is NOT included, this will be a separate licence once it is launched for an additional price • Any PBS training, to support understanding/use of the life wheel, is NOT included in these costs, however PBS workshops can be purchased separately if needed • F2F workshops are NOT included in this cost, however we can facilitate f2f workshops (if you want this, we can provide prices which are dependent on need/location/logistics) • Hard copy materials are NOT provided 	<p>for as many people you support (however, to implement/embed the life wheel at scale, you will need to increase the number of champions/delegates in your organisation who can support people we support, teams, and others with the wheel, so multiple workshops for different cohorts of champions/delegates may be required.</p> <p>This cost does not include PBS (or other relevant) training, however these alternative workshops can be delivered separately at additional cost if this is an organisational need.</p> <p>The life wheel software which is being developed, will not be included in these costs, and will be subject to an additional licence fee in future, when it is launched, should your organisation wish to use this system.</p> <p>We do not provide hard copies of materials in workshops, however we may ask (dependent on champion/delegate access to IT during workshops) providers</p>

			to print out certain documents for delegates in advance of any workshops.
Biennial refresher life wheel workshop (this is only open to accredited organisations)	£550 + vat	<ul style="list-style-type: none"> • Up to 10 champions/delegates at a time can attend the refresher workshop (virtual – f2f can be facilitated at extra cost), 3.5 – 4 hours • Ongoing access to any new life wheel related documentation created, to support organisational implementation (for example information sharing agreements) • Unlimited use of the life wheel tool across the organisation, for the people you support (with appropriate champions in place to support successful and ethical implementation) • Biennial re-review and feedback of competency and values evidence for each champion/delegate (up to 10 people) 	Biennially, all licenced champions must undertake a half day virtual refresher workshop, and re-submit their updated evidence files for review and sign off – this refresher workshop is for up to 10 champions/delegates. As above, this includes up to 3 feedback cycles if needed for each delegate, in order to ratify and sign off their individual files.

		<ul style="list-style-type: none">• Continued licenced life wheel champion status certificate, for up to 10 champions/delegates (pending evidence sign off)• Opportunity to join in iterative improvement cycles/feedback forums with other professionals/providers, to continually develop the life wheel
